FINANCIAL SITUATION OF OUR CHURCH.

The new financial year has not started well for our church. Indeed things started to go wrong back in April when the decorator started to repaint the outside of the building. It soon became clear that the woodwork was in poor health and a carpenter was called in to repair and replace much of the window frames on the Stratford Road side of the building. This added a further £1478 to the budgeted cost of repainting. When the carpenter opened three of the windows the whole frame fell out, that's how rotten they were.

Unfortunately the carpenter was not able to build new frames or repair the old ones. An emergency decision was made to replace the three windows with PVC double glazed windows at a cost of £2222 inc VAT and fitting. The windows to be replaced are the office, room 2 and the ground floor ladies toilet. The heating system boiler was serviced at the end of August and it is fit and well! However, the same cannot be said for the flue to the boiler, this is very poorly and needs to be replaced. Until this is done the heating system remains shut down. The estimated cost of this replacement is £2900.

These three emergency items total £6600. If that wasn't enough, the Circuit Assessment has been increased by 5% and added a further £2219 per annum to our contribution to the Circuit.

I hope you will understand why I feel it necessary at this time to invite you all to consider increasing your regular giving to the life and work of this Church and Centre. I do understand that many of you are already giving as much as you can, if so please don't be concerned if you really cannot give any more. Thank you.

Sheila Sharman, Church Treasurer.

THOUGHT FOR THE WEEK: – A PRAYER FROM A MATURE PERSON – Anonymous

I share the following in the hope that it will put everything about getting older into perspective, and encourage us to “keep on keeping on” with faith and confidence to the very end, for, after all, it is to some extent up to us, whether we choose to live fully, or to let Anno Domini win.

Every blessing, JOHN

Reflection

Lord, you know better than I know myself, that I am getting older and will some day be old. Keep me from the fatal habit of thinking I must say something on every subject and on every occasion. Help me not to try to sort out everybody's affairs. Make me thoughtful, but not moody; helpful but not bossy. It is tempting to use all of my vast store of wisdom, but I want a few friends at the end ! Keep my mind free from the recital of endless details; help me to get to the point. Seal my lips on my aches and pains: love of rehearsing them seems to get sweeter as the years go by. Help me to listen with patience to tales of others' pains. I dare not ask for improved memory, but for a growing humility when my recall differs from that of others. Teach me the glorious lesson that I occasionally maybe mistaken. And keep me reasonably sweet; I do not want to be a saint- some of them are so hard to live with – but a sour old person I do not want to be! Give me the ability to see good things in unexpected places, and talents in unexpected people: and give me the grace to tell them so. And when I would fret about things I can no longer do, please show me the many things that I can still do, for you and for others, and help me remember love covers all.

Amen.
